Ontario's Leading Family Health, Wellness and Sports Club

The ORC would like to inform you of a unique and exciting opportunity for your business!

Recognized as one of Canada's largest and most innovative private facilities, and with a growing membership of over 4600, Ontario Racquet Club represents the incredible growth of people choosing to live a healthy, active lifestyle.

This year, ORC will be producing a special **35<sup>th</sup> Anniversary Club Program Guide** for the 2009/2010 Fall/Winter/Spring year. The guide will feature program offerings from our health, fitness, and racquets departments, camp and specialty programs, and a pull out 10 month calendar of events highlighting holiday socials, member activities, and 35<sup>th</sup> anniversary club promotions!

**The 35<sup>th</sup> Anniversary Club Program Guide** will also include a member services section providing information on our new website features; access for registration, payment, account billing, plus restaurant feature nights, and a complete list of staff telephone numbers and email addresses for member convenience.

Presently we are offering exclusive and non-exclusive advertising space for an August 2009 distribution. The guide itself will contain approximately 96 pages, created in color and high gloss, and will be **distributed by mail to our 4,600 member homes** in the Oakville and Mississauga area. Unique advertising sections will be spaced between each department program offerings, as well as in premium inside cover spots. Pricing is very affordable and you can be assured that your company, service, or product will receive the best possible exposure with a 10 month shelf life.

I have included our advertising package for your perusal, detailing our rates and specifications. Please contact myself at [jmccarrol@ontarioracquetclub.com](mailto:jmccarrol@ontarioracquetclub.com) or by telephone at 905-822-5240 ext 227 to discuss this exceptional opportunity.

Thank you for your time, and we look forward to the opportunity of working with you, and your company.

Yours in good health,

Jeff McCarrol
