

ORC TENNIS ACADEMY 2011/2012

Dear Parents and Players:

I would like to thank all of the 2010/2011 academy players and parents for a great first year directing the ORC Tennis Academy. This past year, we had almost 250 players enrolled in the Academy. While overwhelmed by the increased registration, we did our best to keep up with the demand while trying to maintain a quality program. The 2010/2011 year brought some impressive results to our academy players.

With a full year now under my belt, we have made some changes to the Academy structure. We tried to listen to your feedback and have implemented some of these requests.

Mini Futures is now a 1.5 hour program in order to follow a specific weekly program set out by Tennis Canada.

We are now offering two options for the National Tour program; you may choose either 4-6pm or 3-6pm.

We will no longer include fitness as part of our academy. We found that many of the players did not participate due to various reasons. We still recommend a tailored fitness program for your child over the age of 13. For fitness options, please refer to our 2011 Fall Program Guide which will be available in August. If you have any specific fitness questions, please direct them to Nicole Crewe, Fitness Director at 905.822.5240 Ext 272 or at ncrewe@ontarioracquetclub.com

On the following pages you will find all of the requisite details for the upcoming season—if there is anything you feel I might have missed, or that you wish to clarify, please do not hesitate to contact me or Jennifer Naumovski at tennismemberservices@ontarioracquetclub.com.

I look forward to working with you and your player during the 2011/2012 season.

See you on court!

Gary Muller
